CARRANZA WOULD MOBILIZE ALL REBEL FORCES

Zapata Troops Closing in, and Mexico City Is Worried

[Associated Press by Fed. Wirelless.]
WASHINGTON, July 19.—The possible operations of General Zapata and his forces are now worrying the officials here more than any other phase of the situation in Mexico.

The state department was advised today that Zapata and his troops are getting dangerously close to the City of Mexico.

In the meantime General Carranza is now attempting to bring all the Constitutional military operations under one head, instead of three as had been originally decided upon in the plans for marching upon the Mexican capital.

WASHINGTON OPTIMISTIC

[Associated Press by Fed. Wirelless.]
WASHINGTON, July 19.—Word has been received here from the south that the armistice arranged between Provisional President Carranza and General Carranza is in effect generally throughout Mexico. Official reports from the City of Mexico state that Carranza has ordered his generals to evacuate those cities where the Constitutionalists have agreed to the terms of the armistice and entered into the confederation outlined in the correspondence between himself and General Carranza.

The United States is endeavoring to bring the three factions among the Constitutionalists together. Zapata, with his army, is close enough to Mexico City to enter with the other revolutionists, if this be thought desirable.

CARBAJAL HAS WORRIES

[Associated Press by Fed. Wirelless.]
CITY OF MEXICO, July 19.—The new administration is anxious. President Carbalja is being alarmed at the uneasiness which prevails here and the uneasiness at the reports being made that the populace might riot in a demonstration against his design to turn the city and the government over to General Carranza. All the government troops in the vicinity of the city have been called in and are being distributed throughout the city at various strategic points. In all, 7000 men are in the city under arms.

HUERTA MAROONED

[Associated Press by Fed. Wirelless.]
PUERTO RICO, Mexico, July 20.—Former President Huerta, accompanied by Minister Blauget and their party, is still here. They are waiting the arrival of a Mexican Navigation Company steamer, which has been engaged to take them to Jamaica, British West Indies.

PLAGUE CLAIMS ANOTHER VICTIM IN NEW ORLEANS

[Associated Press by Fed. Wirelless.]
NEW ORLEANS, July 20.—The seventh case of bubonic plague in New Orleans was discovered here yesterday. The sufferer is a girl 18 years of age.

NEW ORLEANS WOMEN HELP CLEAN CITY

[Associated Press by Fed. Wirelless.]
NEW ORLEANS, July 19.—With the discovery yesterday of the sixth case of plague in the city, the women of New Orleans organized themselves into a sanitary corps and have begun a systematic clean-up campaign. Every house and yard in the city is to be gone over, rat-baiting spots are to be cleaned out, and all possible sources of contagion are to be removed. The women have named their inspectors and an executive committee, among the members of which are many of the leading society women of the city.

RAILROAD DIRECTORS HAVE CHANCE TO MAKE GOOD

[Associated Press by Fed. Wirelless.]
WASHINGTON, July 19.—The New Haven railroad corporation will be given another opportunity to avoid having to become a defendant in a suit brought against it by the government under the anti-trust law. Attorney General McReynolds has agreed to meet the directors of the allied lines in conference tomorrow, when he will outline to them the ideas of the government and give the directors the chance to make new arrangements, whereby competition among the steam and interurban trolley lines of New England may be reestablished.

ZAPATA ATTEMPTS TO WRECK RAILROAD

[Associated Press by Fed. Wirelless.]
CITY OF MEXICO, July 20.—Provisional President Carbalja has ordered the wrecked gap in the railroad between here and Vera Cruz to be closed at once to facilitate communication between this city and Vera Cruz.

The damage to the line attempted by General Zapata and his forces is reported to have been only slight.

President Carbalja stated today that he considered that an attempt on the part of Zapata and his troops to force an entrance to the capital is unlikely.

HINDUS RESENT BOARDING OF MARU BY POLICE

[Associated Press by Fed. Wirelless.]
VANCOUVER, B. C., July 20.—The chief of police, several inspectors and detectives and scores of other members of the Vancouver police department were injured, some of them seriously, early this morning when they attempted to board the steamer Komagata Maru and force the withdrawal of the vessel and its undesirable cargo of Hindus beyond the three-mile limit.

The Hindus, who have been belligerent since the arrival of the Komagata Maru, met the officers with a shower of coal and iron and after continued fighting succeeded in repelling the boarding tug. Some of the Hindus were armed with revolvers and fired at the officers, but no one was shot. The officers did not return the fire.

The Ottawa government has given the immigration authorities power to call the militia and to use the sailors from the cruiser Rainbow if necessary to enforce their demands. The Hindus are to be deported on the steamer Empress of Japan if the Komagata Maru is unable to sail promptly. Another attempt to move the vessel is to be made this morning.

HOW YOU MAY THROW AWAY YOUR GLASSES

The statement is made that thousands wear eyeglasses who do not really need them. If you are one of these unfortunate ones, then these glasses may be ruining your eyes instead of helping them. Thousands who wear these "windows" may prove for themselves that they can dispense with glasses if they will get the following prescription filled at once: Go to any optician drug store and get a bottle of Optina; fill a two-ounce bottle with warm water and drop in one Optina tablet. With this harmless liquid solution bathe the eyes two to four times daily, and you are likely to be astonished at the results right from the start. Many who have been told that they have astigmatism, eye-strain, cataract, sore eyelids, weak eyes, conjunctivitis and other eye disorders, report wonderful benefits from the use of this prescription. Get this prescription filled and use it; you may so strengthen your eyes that glasses will not be necessary. Thousands who are blind, or nearly so, or who wear glasses would never have required them if they had cared for their eyes in time. Save your eyes before it is too late! Do not become one of these victims of neglect. Eyeglasses are only like crutches and every few years they must be changed to fit the ever-increasing weakened condition, so better see if you can, like many others, get clear, healthy, strong magnetic eyes through the prescription here given.—advertisement.

CONKLING AND LANE CONFER ON NEW BOND ISSUE

[Associated Press by Fed. Wirelless.]
WASHINGTON, D. C., July 19.—D. L. Conkling, treasurer of the Territory of Hawaii, had a conference yesterday with Secretary of the Interior Lane, taking up with him the question of the issuance of a territorial bond of a million and a half dollars, seven hundred and fifty thousand dollars worth of which is to be put on the market at once. It is necessary that the issue be approved by Secretary Lane and by President Wilson. Secretary Conkling has not yet seen the president in the matter.

The treasurer had a long conference with Secretary Lane, with whom he is a personal friend. The two became acquainted in California where also they have many mutual friends.

The secretary took much interest in the financial status of Hawaii, as explained to him by the territorial treasurer.

CARBAJAL REFUSES USE OF FEDERAL GUNBOAT

[Associated Press by Fed. Wirelless.]
PUERTO RICO, Mexico, July 19.—Ex-President Huerta and General Blauget are still here and will probably remain ashore for several days, there being no vessel here to take the former dictator and his former secretary of war away. A request has been made to Carbalja to order one of the Federal gunboats to the port to carry Huerta and Blauget to a point of safety, but the request has been denied.

Carbalja has answered that he will pay the expense of sending some commercial vessel here for the Huerta party.

The former dictator laughed when informed of Carbalja's refusal, and stated that a few more days in Mexico would be very agreeable to him, inasmuch as he would be nearer at hand to watch the difficulties into which his successor at the City of Mexico would entangle himself.

RETIREMENT OF OFFICERS UNDER INVESTIGATION

[Associated Press by Fed. Wirelless.]
WASHINGTON, July 20.—The naval affairs committee, it is learned, has arranged to examine the records of the navy officers who were recently retired by the jacking board. This will be done today with a view, it is stated, of basing the committee report on the reinstatement bills now pending.

[Associated Press by Fed. Wirelless.]
LA PAZ, Mexico, July 20.—A force of 800 Constitutionalists yesterday captured Santa Rosaria after six hours' determined fighting. All the Federal officers captured were summarily executed. Foreigners in the town sought refuge aboard American warships anchored off the port.

OROZCO SWEARS VENGEANCE ON MADERO SLAYERS

[Associated Press by Fed. Wirelless.]
CITY OF MEXICO, July 19.—Sooner than anyone had expected, the inevitable has happened and the peace which the resignation of Huerta and the provisional presidency of Carbalja had been expected to bring about is seriously threatened. This time it is General Pascua Orozco who has announced himself the leader of the avengers of the assassinated Madero, who will make no armistice with any successor of Huerta and who will lead his troops against this city for its capture.

Orozco issued his statement yesterday, defying General Carranza to bind him by any terms of peace with the Federalists and stating that he proposed to enter Mexico to take a bloody revenge on every one who had been connected in any way with the murder of his former chief, Francisco Madero.

When the announcement was made it was closely followed by another to the effect that General Cardenas, at the head of 4000 men, had marched to join Orozco.

General Zapata is also active near this city and it is believed that he too will join in the movement against Provisional President Carbalja, which would make the first organized revolt against the present administration a very serious one.

YOUNG CHINA PARTY STIRRING UP TROUBLE

[Associated Press by Fed. Wirelless.]
SAN FRANCISCO, July 20.—Hwang Sing, ex-minister of war of China, who with a party of countrymen arrived here last week on the mission of arousing interest in the new revolution against President Yuan Shih-kai in China, addressed a meeting of his countrymen here last night. Hwang made a fervent plea for the new cause and urged his hearers to do all in their power to aid the impending revolution.

ULSTER READY

[Associated Press by Fed. Wirelless.]
BELFAST, Ireland, July 19.—Despite the fact that apparently everything is being done in readiness to declare a provisional government in Ulster, the claim is again made by Captain James Craig, speaking, he says, for Sir Edward Carson, the leader in the movement, that nothing will be done to alter the status quo until a parliament is set up in Dublin under the terms of the Home Rule Bill. This will be Ulster's signal to revolt, unless the terms of the Amending Act are altered and made much more far reaching than the bill originally introduced into the house of lords.

Even should matters reach their worst stage, says Captain Craig, the people of the Empire must remember that the Ulsterites intend only to hold the province for the British Empire.

COHEN TALKS TO LARGE CROWDS UPON CANDIDACY

J. C. Cohen, Republican candidate for mayor, gave the residents of Lale and Kahuku his views on the way in which a municipality should be managed, particularly this one, in short, but vigorous addresses delivered at these two places Saturday afternoon and evening.

A moving picture show was given at Kahuku by Mr. Cohen, and attended by an audience of about 300. It was after this show that he made his address there, which was followed with obvious interest, and warmly applauded. The keynote of the address was the city and county's great need of a business administration, and in connection with this need he pointed out the advantages which would come as a result of it to the people.
